Letter from Our President

Some of you may only know me as the President of Big Brothers Big Sisters, a position I've been honoured to hold for the last 2 years. My involvement, however, started 23 years ago when I became a Big Brother in Winnipeg. When I accepted a transfer to Edmonton I recall very well how concerned my Little Brother, Kurt, was. Would our friendship survive a move to a new City?

Kurt need not have worried. Several weeks ago, I was at Edmonton International Airport to welcome Kurt, his wife Fiona and two very young children to our City. Kurt lives in Australia now, and our friendship has more than survived the test of time and distance. I've visited Kurt several times, including being there to celebrate his marriage to Fiona. I have watched with pride as he has grown to be a remarkable young man, husband and father.

One of my greatest pleasures, over the years, is meeting so many wonderful volunteers, kids and families. I watch with pleasure the delight they take in each other's company and I'm reminded of my own great experiences as a Big Brother. It also makes me profoundly grateful to the moms and dads who refer their children to our agency. The experiences I, and our other volunteers, have had are only possible because parents put their trust in our agency and our programs.

At meetings of the Board of Directors of Big Brothers Big Sisters, I also marvel at the wisdom represented

around the boardroom table. Whether social worker or accountant, marketing executive or lawyer, each member of our Board brings great commitment and dedication to their role. The texture of our conversations is full and vibrant because of the remarkable experience each Board member brings to the table.

It has been a remarkable year for our agency. We have matched more children and youth than at any time in our agency's history. Not only did we meet our goal of matching 1,993 children in 2005, we exceeded it. We also welcomed Camrose and Lac La Biche to the Big Brothers Big Sisters of Edmonton & Area family. Much remains to be done as we strive to meet our goal of serving 5,000 children and youth by the year 2013.

To everyone involved in our agency, whether as funder, supporter, parent, child, volunteer or staff, I am indebted to you for your dedication and support.

Eric Storey,
President Board of Directors
Big Brothers Big Sisters of
Edmonton & Area

Letter from Our Executive Director

“If you had three wishes, what would they be”, our caseworker asked a nine year old boy.

His response, **“I just want to have one friend”**.

Seems like a simple enough request, but this young boy is autistic and suffered from poor self-esteem, social awkwardness and a paralyzing fear of new activities.

The boy joined one of our group programs, which matches 3 or 4 volunteers with a group of kids for weekly recreational activities. The first activity, generously funded by Canadian Tire’s JUMPSTART Fund, was a day of snowboarding. Supported by a volunteer, this young boy struggled with the lesson and began to cry. With continued support from the volunteer, the boy agreed to try the hill one more time. And, I’ll let our caseworker tell the rest of the story:

“Since that day, this boy has dramatically turned around in school and has begun to interact more successfully with kids on the playground. He comes to group every Wednesday night with a big smile on his face, not his usual scowl. He is engaging the other participants in conversation and games and he shows no reluctance to try anything new. Last night he even created a new game for the group to play”.

We sometimes lose track of the individual successes when we celebrate as we did in 2005, a double-digit percent growth in the number of children and youth served. More than 2,024 children and youth in Edmonton and area were matched in a mentoring program; a record number for our agency.

With revenue-growth a priority in our Strategic Plan, during 2005 we were successful in increasing the number of funders for our agency’s programs. We also received increased funding from the United Way, the City of Edmonton FCSS and Alberta Children’s Services. We thank each of them, as well as our other funders and supporters, for their contributions to our agency and the children and youth we serve.

We’re also very proud of our learnings in the area of technology. We made BIG leaps ahead and now have more than 70% of our mentor applications

coming in online. As well, 80% of our volunteers now receive newsletters and other communications from us via email.

We also anticipate an increase in the regionalization trend that started in 2005 when the Lac La Biche and Camrose offices joined Big Brothers Big Sisters of Edmonton & Area. Smaller communities want to ensure that their children and youth have access to healthy caring adults in their lives. It can be difficult to sustain and manage the myriad of services and processes required for a successful agency that may only have a part time staff person. Regionalization ensures that children get the programs they need.

When we developed our new Strategic Plan, we called it ‘From Success to Significance’. We’re proud of the many steps we have taken over the past year to remain a performance-driven agency and we are deeply grateful for the investments made by our children and youth, their parents, our volunteers, funders and supporters.

Elizabeth O’Neill
Executive Director

Letter from Battle River Chairman

Over the past year, BBBS of Battle River has worked with BBBS of Edmonton & Area to help keep our doors open and also to help meet the needs of our children and youth in ways that are effective and efficient. In the past, we have had excellent staff and just as they have become trained and informed we have lost them to other employers. Over these same years we have not been able to recruit the number of volunteers that we needed to support our children as so much of our time had to go to fundraising and grant writing.

In July of 2005 we asked BBBS of Edmonton if they would take over management of our agency so that we could concentrate on serving the children and youth of our community. I am happy to report that, with their help and with the strong support of our local Advisory Committee, we have been able to recruit an exceptional staff person, Alton Puddicombe. We have also been able to secure the funding needed to support our staffing costs and for our rent, telephone, travel and insurance costs. BBBS of Edmonton & Area has been able to maintain our existing funders and help us bring new funders to the table.

We are now serving 33 children and youth and hope to grow to serve 60 children and youth by the end of 2006.

I'd like to close with a story Alton told me recently. He was doing a visit with a Big Sister/Little Sister who were reaching the 3rd anniversary of their match. The Little Sister was turning 17 soon, and Alton wondered if the Little Sister might think she'd outgrown her need for a Big Sister. Or maybe the Big Sister might think the Little Sister was grown up and didn't need

her anymore. He need not have worried. The Big Sister was very excited to tell Alton that she was planning a big surprise birthday party for her Little's 17th and was inviting all her friends and family. There was going to be food and fun and lots of activities. From all reports, the party was a big surprise for the Little Sister....and a lot of fun! It's these small moments that create

magic in the lives of our youth and volunteers that makes it so important that our agency's doors remain open.

Al Wallace, Chair of Advisory Committee
Big Brothers Big Sisters Society
of Battle River

Letter from Lac La Biche Chairman

A group of supportive citizens began meeting in 2004 with a view to form a Big Brother Big Sister agency to meet the identified needs of kids in Lac La Biche and Area. After completing a comprehensive Needs Assessment and Feasibility Study the local committee decided to approach Big Brothers Big Sisters of Edmonton & Area to ask them to assist us with getting our office up and running. In April, 2005 an official agreement was signed and we became a satellite of the Edmonton agency. We feel this is an ideal arrangement. With BBBS Edmonton assisting with finance, payroll, marketing and promotions and casework support, our caseworker is able to devote her time directly to the delivery of services to kids. As well, an appointed Committee member from Lac La Biche will attend BBBS Edmonton Board meetings on a quarterly basis.

Monies raised by our office will remain in the area to assist in the operation of our programs. And to that end, we're thrilled with our early successes. In April, 2005

the 'Bowl for Kids' Sake' campaign was held and raised approximately \$2,500 and in July we held a garage sale in conjunction with PowWow days and raised another \$2,500.

In August, 2005, with the assistance of funding from FCSS, we hired a part-time coordinator and we're very pleased with the work that Shelley Bertschi has started. We currently have more than six volunteers recruited and we are confident we will reach our goal of matching 15 children and youth during 2006.

We look forward to reporting to you next year about our continued success.

Dave Moseley,
Chair of Advisory Committee
Big Brothers Big Sisters of

Sisters by chance ... Friends by choice

Big Sister, Tanya smiles when she says “I’m so boring and old school.

Vanessa helps me be trendy.” Coming from a university student barely into her 20’s, ‘old school’ hardly seems like a good description.

Then we talk to her Little Sister, Vanessa who says, with a mischievous smile, “Tanya is better than a real sister! We like to say we are ‘sisters by chance, friends by choice’.”

So what keeps this dynamic duo busy on their weekly activities? “We really like to go shopping. Well, maybe not shopping...but certainly ‘looking’. And Whyte Avenue is our favourite,” Vanessa offers. Tanya adds, “Vanessa always does my hair when we go out together. She’s got real talent!”

They laugh when they share a favourite story. Neither

of them considers cooking a major talent or interest but one day they decided to make chocolate chip cookies together. “We must have got the amount of salt wrong,” quips Vanessa, “even my dog, Hugo, wouldn’t eat them!”

They share other interests as well. Tanya attends Vanessa’s piano recitals, they like making crafts together and you’ll often find them chatting, singing and dancing. They’re planning a celebration supper soon, too. Tanya’s been accepted to a graduate program and Vanessa is graduating from Grade 9.

Tanya is from a small town east of the City. She says, “I really feel like I’m a part of Vanessa’s life. I call her family my ‘city’ family.”

Vanessa and Tanya have been matched for over 2 years. “She’s my best friend,” says Vanessa. And Tanya agrees completely!

“I call her my “city” family.”

– Big Sister Tanya

Mentoring Programs

Big Brothers Big Sisters

- Mentors share 2 to 4 hours a week with a child or youth. The Big/Little do things they both like to do like walk the dog, play catch, make crafts or cookies, ride bikes or just hang out together.

In-School Mentors (youth volunteers welcome)

- Mentors share one hour a week for one year matched with an elementary school student, reading, keeping a journal, playing board games and just getting to know each other. All activities occur at the student's school.

Group Programs

- A range of group programs are offered including TEAM, Club Connect, Youth in Care and others. Group programs match several volunteers with a number of children and youth in communities throughout the City.

Roots & Wings

- Roots & Wings matches a volunteer with a parent...like being a Big Sister to a Mom. Mentors visit the parent two to four hours a week by phone, email or in person. Together they go shopping, take the kids to the park or talk over a cup of coffee. Roots & Wings is also offered in the Chinese community.

Digital Heroes (youth volunteers welcome)

- Mentors are matched with a student and exchange emails (via a secure monitored website) once or twice a week. It's like being an electronic pen-pal.

Group Activities

- Monthly group activities for kids and their mentors/parents/guardians.
- Bowling, archery, crafts, canoeing, skiing, fishing, annual picnic and Christmas party.
- Crafts nights are also held throughout the year.

Franco-Immigrant Youth Project

- Youth and parents from refugee Francophone communities are matched with mentors for tutoring, recreational and social activities.
